

# LEARNING POLICY

What does learning look like at Udny Green?

• Learning something new

- Making mistakes
- Heads down

• Reading, looking at books

• Active - having a go and trying (skipping) PE

• Using tools - like fingers to count

• TEAMWORK!!! Helping each other

What does learning sound like at Udny Green?

• Quiet if are concentrating

• A bit louder if you are learning with others

• Laughing - because we make mistakes and it can be funny

• Lots of questions being asked and answered

• I'm not sure I will ever understand this

• YES - I GET IT NOW!!!!

• Loud if we are learning together and discussing our learning

# LEARNING POLICY

What does learning feel like at Udny Green?

**Scary...**

- Scary because its new
- Exciting because its new
- Butterflies in our tummy
- Anxious, nervous - Sick
- Doubting that you wont get it
- Physically tiring
- Mentally tiring

- Angry that you don't get it straight away
- Exhausting to keep going

All

You are using your growth mindset wanting to learn, ready to learn, ready to try and make mistakes

- It will be ok - I cant do it YET

ALL of the school values - understanding, discovery, nurture, you, growth mindset, responsible, effort, enjoyment and nature
