In Addition to the above these may be useful:		
<p>Khan Academy https://www.khanacademy.org Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the U.S. grade system but it's mostly common material.</p> <p>Blockly https://blockly.games Learn computer programming skills - fun and free.</p> <p>Ted Ed https://ed.ted.com All sorts of engaging educational videos</p> <p>Crest Awards https://www.crestawards.org Science awards you can complete from home.</p> <p>iDEA Awards https://idea.org.uk Digital enterprise award scheme you can complete online.</p> <p>Paw Print Badges https://www.pawprintbadges.co.uk Free challenge packs and other downloads. Many activities can be completed indoors. Badges cost but are optional.</p> <p>Tinkercad https://www.tinkercad.com All kinds of making.</p> <p>Prodigy Maths https://www.prodigygame.com Is in U.S. grades, but good for UK Primary age.</p> <p>Nature Detectives https://naturedetectives.woodlandtrust.org.uk/naturedetect.../ A lot of these can be done in a garden, or if you can get to a remote forest location!</p> <p>British Council https://www.britishcouncil.org/school-resources/find Resources for English language learning</p>		

Big History Project

<https://www.bighistoryproject.com/home>

Aimed at Secondary age. Multi disciplinary activities.

Blue Peter Badges

<https://www.bbc.co.uk/cbbc/joinin/about-blue-peter-badges>

If you have a stamp and a nearby post box.

The Artful Parent

<https://www.facebook.com/artfulparent/>

Good, free art activities

Non-screen activities you can do at home

Pobble

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

25 ideas!

1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

3 Get building! You could build a Lego model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

'Learning from home is fun'

Thanks!

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

8 Use an old sock to create a puppet. Can you put on a puppet show for someone?

9 Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

12 Can you create a story bag? Find a bag and collect items to go in it that relate to a well-known story. If you can't find an item, you could draw a picture to include.

13 List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

15 Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

16 Keep moving! Make up a dance routine to your favourite song.

17 Write a play script. Can you act it out to other people?

18 Read out loud to someone. Remember to read with expression.

19 Write a song or rap about your favourite subject.

20 Get sketching! Find a photograph or picture of a person, place or object and sketch it.

21 Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

22 Draw a map of your local area and highlight interesting landmarks.

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

25 Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?
